“Harnessing Your Individuality”

What makes you tick? You’ll find power and confidence by celebrating your uniqueness. Find your inner mojo by listing at least 3 things that make you an individual:

1. _____
2. _____
3. _____

Out of all the parts of being a nail technician, what is your favorite aspect? Nail Art? Massage? Structure? List your top 3 areas you love to focus on:

1. _____
2. _____
3. _____

What personality traits would your ideal client possess? Talkative? Fast paced? Or would you prefer to take your time and have more quiet and reserved clients?

1. _____
2. _____
3. _____

Your answers to each of the above questions reflect the ideal type of working environment for you. Keep these answers handy as you start to put together your service list. You want to make sure that the services you will be performing not only foster your spirit but also help attract the type of clients you want to see on a daily basis.
